

Lull Telehandler Part

Lull Telehandler Part - Lull telehandlers have been supplying precision load placement ever since 1959. Whether the work requires landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler will help make the task go easier and faster. These units are complete with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The horizontal placement system by Lull could supply 80 inches of boom travel for precision placement capabilities. There are also a lot of optional Lull accessories for their telehandlers to help finish whatever job.
